

## UTS PREFERRED SYDNEY HOTEL RATES

The properties listed below are UTS preferred Sydney hotels. Special contracted rates have been negotiated which are below the standard government rates. It is therefore preferable that the hotels listed and the UTS contract rates are booked for Sydney city hotel stays. Rates are available for approved UTS business travel, including inbound guests. Hotels are all in the immediate environs of UTS city campus (maximum walking distance 10 minutes). **To access the contracted UTS rates it is important that you quote the specific UTS code** for each hotel (codes are identified below). Rates are on a room only basis.
